Convenience and Necessity.)	CERTIFICATE

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Motion for Immediate Suspension of the Class C Charter Certificate of Public Convenience and Necessity of Henry G. Young, Jr. d/b/a Come Correct Coach, filed by the Office of Regulatory Staff (ORS).

S.C. Code Ann. Section 1-23-370(c) (Revised 2005) states that if an agency finds that public health, safety, or welfare imperatively requires emergency action, and incorporates a finding to that effect in its order, summary suspension of a license may be ordered pending proceedings for revocation or other action. ORS has provided an affidavit demonstrating that the insurance for this carrier has expired. Therefore, we hold that this carrier operating with no insurance constitutes an emergency and requires us to immediately suspend this carrier's certificate granted in Docket No. 2003-49-T in order to protect the public safety. This suspension will remain in effect until a hearing is held and a final determination can be made as to whether the Certificate in question should be permanently revoked.
